HYUNDAI HYCH2800ES

Electric Garden Shredder

Powered by a 2.8kW motor, the HYCH2800ES' shredder speed of 60rpm crushes and grinds the wood rather than chopping it, which means it doesn't have to work as hard as other shredders and thus will require less maintenance.

Specification

Model	HYCH2800ES
Power Cable	10M
Voltage	230
Rated Power	2800W/2.8kW
Dimensions HxWxL	920x460x620mm
Chipping Capacity	44mm
Disc Speed	60RPM
Sound Power Level	96dB
Gross weight	22kg
Warranty	3 Year
