

# VehiclePro Spray Wax RM 821 Classic

The liquid spray wax for preservation and shiny finish care for the entire vehicle. Unaffected by water quality, it provides a spotless finish even without blow drying.

**pH 4**  
in concentrate

## Properties

- Effective gloss dryer for use in self-service wash systems and with high-pressure cleaners
- Creates a mirror-like high gloss
- Spotless drying of the surface in combination with osmosis water
- Protects effectively for up to one month
- Can be used with all water qualities
- Effective in all water hardnesses
- VDA-compliant
- Tensides biodegradable in accordance with EEC 648/2004
- NTA free
- Free from mineral oils and mineral hydrocarbons
- Quick oil and water separation in the oil separator (easily separable = asf)

## Application

- High-pressure washers
- Self-service wash bays

## Areas

|                           |                                     |
|---------------------------|-------------------------------------|
| Self-service wash bays    | Cars, commercial vehicles, bicycles |
| Car dealership and garage | Cars                                |
