Why Buy NX300 Li-ion Battery

Pro Cordless

The new NX300 Pro Cordless delivers professional level cordless performance to a versatile and expanding range. Quicker, safer and more convenient, switching to Pro Cordless raises productivity levels, saving time and money.

An extensive research and development programme utilising the latest battery technologies has resulted in a newly developed 30 cell design delivering a 60% increase in available energy. The NX300, truly delivers on power with 300Wh of energy.

One Fits All Productivity

The convenience, safety and power of Pro Cordless with reduced costs and lower maintenance from a single battery and charger system.

1 Hour* Fast Charge

Recharged to 80% in just an hour and ready to go for every product in the NX300 range.

Extended Long-Life Power

Made for the long haul, the NX300 Battery won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles. A 3-year battery warranty provides complete peace of mind for you and your Pro Cordless Network.

Runtime

Each product in the NX300 range is engineered to optimise the NX energy storage providing the right balance of runtime and power, for each cleaning task.

Longer Lifecycle

Up to 2500 cycles with built in battery status and health check safety system.

Ease of Use

Easy-reach carry handle and quick-release button for fuss-free battery change and charging.

Numatic X-Change

The NX300 battery packs can be used across the growing Pro Cordless Range.

*higher temperatures can increase charge time.
