

Flymo UltraGlide

The most advanced Flymo hover mower with DuoTech system

The UltraGlide is the most advanced Flymo hover mower with DuoTech system. Collects more grass, cuts closer to edges, gives a better finish, makes mowing quicker and easier than ever before. It's unique DuoTech system works by lifting and straightening uncut grass, before neatly cutting and propelling the tip of the blade up into the grassbox and compacting it for more efficient storage.

Easy To Empty Grassbox
Large 30 litre grassbox - easy to remove and empty

Easy to Carry
Easy to carry and folds compact for easy storage.

Central Height Adjust
Single lever adjustment of the cutting heights, offering four heights of cut from 13mm to 32mm

Cuts close to walls
Cuts close to walls, fences and over edges
