

Our largest high-pressure washer offering a professional-style clean

Breeze through larger, tougher cleans with the Premium 200, the largest in the range and the most powerful. With an incredibly forceful 200 bar maximum pressure and 15m steel-armed hose, you're guaranteed professional-style results every time.

Ideal for tackling large surface areas – the machine can cover up to 70m² in an hour – this washer is the perfect choice for banishing dirt from surfaces such as horse trailers, swimming pools, caravans, boats and driveways. Flexible and durable with its long-lasting induction motor, long lance and telescopic handle, the machine also boasts a large foam sprayer to ensure a thoroughly efficient clean. While powerful, the design of the washer doesn't compromise on mobility, with its in-built trolley and sturdy wheels.
